

DRIVING DIRECTIONS

From the Airport

Turn right out of the airport access road (beware traffic at “Filter-in-turn” junction as you come out of airport road).

Continue straight ahead down main road passing on left “Co-Op Garage” (with fuel-pumps / small supermarket / autobank).

Remain on main road (passing on left “Lesbirels” fresh flowers, fruit & vegetable stall) until you see small converted church ahead on the right of main road.

Before you get to the church there is a road joining the main road at a sharp angle from the right. This road is signposted “Gold & Silversmiths” with a traffic island of granite rock in the middle of the road.

Turn right onto this road and remain on it until the road ends. (It takes you round the back of airport & you will pass a turning on your right signposted “Bruce Russell Gold & Silversmiths”).

At the end of the road turn left on to another main road.

The road bends hard to the left and soon afterwards sharply to the right.

Immediately after the right-hand bend you will see on your left entrance to car park for Les Piques Country Cottages.

From the Harbour

You come to large roundabout with flagpole. Go straight over and up the hill of St. Julian's Avenue.

Continue up this hill, passing "Swoffers" on your left and "Elizabeth College" on your right, taking a right hand bend and again continuing up the hill.

You will pass two sets of traffic lights, the second being at a crossroads.

You continue on up hill, past a house called "Brockhurst" on your left and the "Grange Lodge Hotel" on your right.

You will come to a further set of traffic lights with a pedestrian crossing. Take left-hand lane after these and turn left into Queen's Road. The signpost points to St Martin and Airport.

You will pass the white gate pillars of the Governor's residence on the left-hand side and come to a Filter-in-turn junction at the end, where you turn right onto Mount Row.

At next traffic lights, at the end of Mount Row, continue straight over.

Pass the "Princess Elizabeth Hospital" on the left-hand side and then arrive at another junction with traffic lights. Again, continue straight on following the signs to St. Andrew and St. Saviour.

Continue along this road for a mile or two passing "St Andrew's Church" on the right-hand side. Drive past the "Last Post" public house on your left and continue on the main road which then turns to left opposite the playing fields of "Blanchelande College" and then bends right. You will see the sign for the "Little Chapel" and "Guernsey Clockmakers" which you will pass on your right.

Follow the main road until you come to another main road. Turn left here and immediately turn right.

You will pass the "Farmhouse Hotel" on your right and then remain on the main road. Ignore turning to left signposted "Gold & Silversmiths".

Follow the road round a sharp right-hand bend and then a sharp left-hand bend and another right-hand bend. The entrance to Les Piques is on your left.

Immediately after the right-hand bend you will see on your left entrance to car park for "Les Piques Country Cottages".
